Consulted SPE James Wozniak regarding 101 practice and application of prior art in 103 rejection, who in turn was relaying guidance based upon the advice of QAS John Peng. It was determined that a 101 rejection was not appropriate based upon the decision of the Board, and further that the analysis under 103 should more closely mirror the board decision in the application of the prior art in the manner previously deemed insufficient by the Board.	09/20/2010	DMK
Consulted SPE James Wozniak regarding potential allowable subject matter during re-opening of prosecution. It was determined that an Examiner's Amendment would be an appropriate response to the state of prosecution, in order to better define the novel aspects of the invention from the Specification	10/13/2010	DMK
